

WOODSHOP

Pine Castle's Woodshop is one of the largest regional suppliers of wooden stakes used in the surveying, construction, gardening & farming industries, and more.

Using only top-quality, durable, air-dried Southern Yellow Pine, we manufacture and bundle the stakes on campus, per each customer's specifications.

Custom cuts are available upon request.

Contact us at woodshop@pinecastle.org or (904) 733-2650 Ext. 266 for questions, orders, or to request an estimate.
